Barbara Mitchell

Victorian Rock'n'Roll Dance Hall of Fame Inductee 2015

The VRRDA established the Victorian Rock'n'Roll Dance Hall of Fame to recognise those special people who have made a notable contribution to Rock'n'Roll dancing over a significant period of time.

Barbara Mitchell. Geelong Juke Box Rockers began operations on 28 June 1998. Barbara was one of the main instigators in the creation of this highly successful, community based Rock'n'Roll dance club.

Barbara served as the club's President for 14 ½ years. She still plays a particularly active role in the organization of the club's regular calendar of monthly dances, the weekly social nights and the weekly dance class nights.

Barbara is involved in the club's annual charity fund raiser dance. She is also deeply involved with the annual three day summer festival.

Barbara is renowned for her warm personality and her generous spirit. She has encouraged families & young people to be active club members and she seeks out opportunities for the club to perform charity dancing demonstrations.

On top of all this Barbara served on the VRRDA committee for three years.

A more complete coverage of Barbara's contribution to the Rock'n'Roll dance scene will be posted after she is presented with her induction certificate at the 2015 Victorian Rock'n'Roll Dance State Championships.
